1 Introduction

This is an example citation. See file refs.bib by clicking on “Project” on the top-left.

You can cite using Claydon et al. (2017) to make a reference in the text. Or (Claydon et al., 2017) for a reference in parenthesis.

2 Something

You can also reference figures and sections using their label name.

For instance, Figure 1 shows a picture of a frog and in Section 1 we show the introduction.
