Statement of Original Authorship

The work contained in this thesis has not been previously submitted to meet requirements for an award at this or any other higher education institution. To the best of my knowledge and belief, the thesis contains no material previously published or written by another person except where due reference is made.

Figure 1.2: Sample image from another folder

Chapter 2

Research Design

In this chapter, ...

2.1 Research objectives

2.2 Research framework

2.3 Research phase

Chapter 3

Method

Chapter 4

Evaluation

In this chapter, we present...

4.1 Evaluation methodology

4.2 Experimental analysis

4.3 Expert interview

4.4 Discussion

Chapter 5

Conclusion

In Chapter 4, ...

5.1 Summary and contribution

5.2 Limitations and future work
